New York, New York 10022

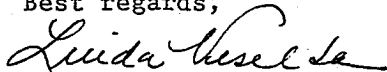

Dear Dr. Lisanti:

Conference Concepts Inc. has been selected to organize the Third Virology & Immunology Symposium for the Southwest Foundation for Biomedical Research. We want to acknowledge receipt of the \$2500.00 check from the Council in support of Update '87.

With your generous support we will be able to offer an excellent program on idiotype networks and immune regulation. We are pleased with the agenda and look forward to a large attendance. We hope your schedule will allow you and your colleagues to attend the November meeting.

Again, thank you for your consideration and support.

Best regards,

Linda R. Veselka  
Vice President
